

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

-----X
IN RE:

GENERAL MOTORS LLC IGNITION SWITCH LITIGATION

14-MD-2543

This Document Relates To:

ORDER

Yagman v. General Motors Company et al. 14-CV-9058
-----X

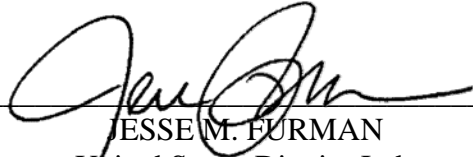

JESSE M. FURMAN, United States District Judge:

Mr. Yagman's sixth motion for remand is DENIED, substantially for the same reasons that the Court denied his prior motions, *see* ECF No. 259 (denying remand request as premature); ECF No. 263 (same); ECF No. 270 (same); ECF No. 274 (same); ECF No. 287 (same); ECF No. 314 (same); *see also* ECF Nos. 264, 271, 281, 288, and for the additional reasons substantially stated in New GM's opposition.¹ Most importantly, Mr. Yagman remains subject to Order Nos. 29 and 50, which allow a plaintiff to independently pursue economic loss claims only if no class is certified or if the plaintiff opts out of a certified class. *See* 14-MD-2543, ECF No. 875, at 1-2. Because the Court has neither certified nor refused to certify a class, Mr. Yagman's motion to remand is — and remains — premature.

The Clerk of Court is directed to terminate 14-CV-9058, ECF No. 314.

SO ORDERED.

Dated: July 20, 2020
New York, New York

JESSE M. FURMAN
United States District Judge
